

Race report - Mundays Charity 5k

10 May 2017 – Hawaiian style!

The sun shone and flower garlands were worn at the 10th Anniversary Mundays Charity 5k Fun Run in Bushy Park. Over 210 runners, many in fancy dress, ran a new course in support of Princess Alice Hospice in Esher, which provides free end of life care for adult patients. Mundays are proud to have been involved with the Hospice since its inception.

Thank you to Quiss and Savills for donating the prizes with special bonus awards this year for fancy dress. The race would not have been possible without the volunteers and marshals from Mundays and the Hospice and thanks also to Sports Systems and Sussex Sport Photography.
